Barral Institute Courses 2013

BARRAL INSTITUTE : VISCERAL MANIPULATION (VM1)
In the VM1 course you will study the models and theories of functional biomechanics as viewed from Barral’s innovative approach.

Course Highlights:
• Learn manual skills to locate, evaluate & normalize primary areas of dysfunction within the abdominal cavity.
• Explore the dynamics of motion and suspension in relation to organs, membranes and ligaments.
• Examine the relationship of organs and structural or neuromusculoskeletal dysfunction.
• Assess the quality of functional activity and somatic structures as they relate to an overall pattern.

Johannesburg | CEU’s: 24
DATE: 9 – 12 March 2013
COST: R 6,800.00
VENUE: Camelot Intl, No. 7 Corner 7th Street & 11th Ave, Houghton, Johannesburg

BARRAL INSTITUTE : Neuromeningeal Manipulation: An Integrative Approach To Trauma (NM1)
NM1 is a specialized course focusing on the impact of trauma and whiplash.

Course Highlights:
• Study the three primary areas of trauma as they relate to whiplash: physical laws, evaluation and treatment.
• Learn the appropriate anatomy and physiology for treatment of whiplash and trauma conditions.
• Learn to locate and release restrictions along the meningeal system.
• Assess injuries to the soft tissues of the cervical region and learn treatment protocols for optimal release.
• Learn tests to determine restriction patterns of the cervicobrachial region.
• Understand how whiplash creates restriction patterns throughout the body.
• Identify techniques that encompass the whole body, as the whole body receives collision forces in a whiplash injury, not just the cervical spine.
• Learn to evaluate restrictions in the lumbosacral region.
• Discover new applications of visceral manipulation principles and techniques as they can be utilized for patients presenting whiplash and other conditions involving trauma.
• Compare treatment sequence and tests for whiplash and traumatic injuries.

Johannesburg | CEU’s: 24
DATE: 14 – 17 March 2013
COST: R 6,800.00
VENUE: Camelot Intl, No. 7 Corner 7th Street & 11th Ave, Houghton, Johannesburg
